Welcome Back!

*Support Our School – Annual Campaign
2016-17*

Board of Directors

July 19, 2016

Manuel Collazo
President

Dear Parents & Friends of Laguna Road,

Lizette Kizziar
Co-President

Welcome to the 2016-17 school year! We hope your family enjoyed a fun and relaxing summer filled with wonderful new memories. As we begin another exciting and challenging year the Support Our School (SOS) Foundation is excited to again play a critical role in supporting our educators and students accomplish aggressive academic goals. Since 2003, SOS has played a critical role in supplementing funding provided by various government agencies to ensure Laguna Road has necessary support in the areas of Physical Education, Technology, and other critical Teacher Resources & Tools. Over the past three years, SOS has provided Laguna Road with more than \$200,000, equipping every student with an iPad, and outfitting our classrooms with Smart Televisions, and Apple TVs. As a result, Laguna Road was recognized as a Gold Ribbon School for the 2015-2016 school year for innovation in technology with our 1:1 iPads for Learning model program.

Erika Brechtel
Vice President

Jeanne Maisenbach
Secretary

While local, state and federal monies are utilized to ensure our children at Laguna Road receive an enviable education; the funds provided simply aren't enough to support the level of excellence they deserve and our educators continuously strive to achieve. Our school has earned all major honors used to designate the top state and national schools. In addition to the Gold Ribbon School designation, the Campaign for Business & Education Excellence has recognized us a 15-16 Honor Roll School. To that end the SOS Foundation continues to work with the educators at Laguna Road to determine what programming will challenge our children beyond the standards and foster an environment your child will find encouraging and stimulating. In addition to continuing our support of technology needs both in classrooms and the technology lab, supplemental staffing needs and physical education resources, this school year SOS is excited to continue its support with two rigorous reading programs, Accelerated Reader and Storia, updated multimedia and audio/visual equipment, and introduce a new STEM program and teaching resources. Laguna Road has a history of personalizing the education of every child, the resources SOS provides makes this work possible.

Our goals for this school year are the largest in the history of the SOS Foundation and begin with you. Your financial support will make these goals a reality for our children – **a donation of \$125 for first child or \$200 for two or more children enrolled at Laguna Road will ensure your child/children continues to have access to the advanced technology equipment and additional programs outlined above.** Please use the enclosed donation form or make an online donation at www.SupportLagunaRoad.org. All donations are 100% tax deductible. All donor names are published in the annual yearbook and donors contributing \$500 or more to the Laguna Road SOS Foundation Annual Fund Drive will have their names permanently displayed in the Sullivan Center on the Founders Wall.

We understand you have a choice where to spend your hard earned dollars and how to give. Your support is appreciated and directly contributes to your child's experience at Laguna Road. Every dollar counts! We cannot do this without your support. Thank you in advance – wishing you and your family a safe and exciting school year.

Lois Yoo
